Freeware for All

with Jody Watson

October 21st, 2009

4:30 pm to 5:30 pm

Please log on at 4:00 pm to do your mic & speaker test!

\$20

ABOUT THE SESSION:

We will look at some good freeware software that can be used in junior high and high school classes to introduce students to different types of software: Included will be: 1. 3d animation - Blender: 2. Intro to Visual Programming - Storytelling Alice (- It allows students to learn fundamental programming concepts): 3. Intro to Game Design - Microsoft Popfly (-Allows students to create a game using simple programming): 4. Introduction to animation - Goanimate (-Create animations based on student created storyboards): 5. Introduction to Podcasts - Audacity - (- Using audacity create podcast and sound bites used in other assignments).

ABOUT THE FACILITATOR:

Jody Watson has taught at Bawlf School for the past 11 years. He is very interested in using technology to engage students more in the learning. Is currently involved with a one to one laptop project in their high school where every grade 11 and 12 student gets a laptop.
