Implementing the New 2009 Alberta Education Computer Science Curriculum *with Gerry Donaldson*

September 9th, 2009
4:30 pm to 5:30 pm
Please log on at 4:00 pm to do your mic & speaker test!
\$20

ABOUT THE SESSION:

Participants will overview and discuss implementation of Alberta Education's 2009 Computer Science curricula in terms of scope, sequence, packaging of "in-house" courses, satisfying university credentialing, language development environments, and resources.

ABOUT THE FACILITATOR:

Gerry has taught high school Computer Programming for 30 years, including IB and AP Computer Science for the past 15 years. He has used his teaching web site with his students for the past 13 years. Gerry currently works part-time as the High School Computer Science Outreach Consultant for the University of Calgary charged with supporting the work of Computer Science teachers in high schools
