### Program

Join a community of like-minded educators who have taken on the challenge of having "real" conversations, and are looking for support and accountability in living this out day-to-day, both professionally and personally. The group will meet six times during the course of the year. Be prepared for a year of growth in terms of the richness and depth of both your conversations and relationships!

This learning opportunity is best suited for participants who have taken Fierce Conversations training within the last 3-5 years. If you are interested in refreshing your Fierce Conversations training please check out our Fierce Conversation Refresher Series at: <https://nrlc.net/program/7479>
