Program

This is an information session for current or aspiring administrators who are interested in enrolling in post secondary courses to attain principal certification in Alberta.

The session will give an overview of the courses required for certification, how to apply for studies as well as the potential for a cohort of learners from our region.

In consultation with NRLC and participating school authorities, the University of Alberta is prepared to offer a virtual, 2 course principal certification cohort and/or a 4 course Leadership Certificate cohort for Zone 1 teachers/administrators. Each of the courses would be transferable to a Master's of Education in Educational Studies program.
